Daniels Electronics is inviting you and your colleagues to a ½ day business and technology seminar on Land Mobile Radio systems. The seminar will cover the latest developments in Land Mobile Radio technology including:

- An updated **overview of the P25 standard** adopted by the Association of Public Safety Communication Officials (APCO)
 - P25 Updates on FSI, ISSI, Phase 2, Trunking and Compliance Testing as well as other hot topics
- Recent developments in frequency bands with a particular focus on the 700 & 800 MHz bands
- Transportable radio solutions

Wednesday, May 14th – Philadelphia
8:30 AM – 1:00 PM (lunch included)
Four Points by Sheraton Philadelphia Northeast
(formerly Doubletree Club)
9461 Roosevelt Blvd. Philadelphia, PA
(215) 671-9600
